

The Essentials

All weddings start at \$900 for the cocktail and reception only and include:

- **Essential DJ equipment:** We will bring lighting and sound equipment and our booth (facade, table, and tablecloth).
- **MC services:** We will make announcements such as bridal party introductions and host events like the shoe game throughout cocktail hour and reception.
- **All-day services:** We do not bill by the hour for weddings and we never book two events on the same day, regardless of the time of day.

Extras

CEREMONY COVERAGE	\$100	We will play music of your choice while guests arrive, play bridal party processional songs, and offer the use of our microphone(s) for the ceremony.
UPLIGHTING	\$150	We will bring 8 portable uplights and set them up to accent your venue. We will coordinate the colors with the theme of the day to provide a natural, coordinated feel.
TRAVEL PACKAGE	\$100*	If your wedding is more than 60 miles from the Tampa Bay area, this fee covers our travel costs.

*If the distance is beyond a reasonable same-day distance (~150 miles), please contact us for a custom quote.

What We Bring

We are prepared for both indoor and outdoor weddings and will plan accordingly. Our standard equipment list is as follows:

- 2 x PA speakers
- 2 x 1000-watt subwoofers
- 2 x Independent music-synced light bars
- DJ table
- Facade
- 2 x Wireless handheld microphones
- DJ controller (mixing board) and laptop
- Extension cords and power strips
- 10' Blue tent (if required)
- 8 x Portable uplights (if purchased)

The Process

Booking with us is easy! Below, we outline the steps from initial contact to your wedding day below.

1. You contact us via our site, WeddingWire, The Knot, etc.
2. We discuss event specifics, your needs, and your expectations.
3. We send a personalized invoice through our secure payment portal where you confirm the booking by paying the 20% nonrefundable deposit.
4. We send you our questionnaire to learn key details like your song preferences, who is in your bridal party, and what events you want us to host during your wedding.
5. One week before the wedding, the remaining balance on the invoice becomes due.
6. The day of your wedding, we arrive at least an hour and a half early to set up and test our equipment, ensuring everything runs smoothly.
7. After the wedding, we will send you a request to leave us a review as we wish you and your partner well in your new life together!

The Team

Collin

Collin, Catching Lightning, is not only an experienced DJ but also a professional programmer and businessman who loves music. As a pianist, electronic music producer, and DJ, Collin has an easy time finding the right song and the right energy for any moment. He uses his knowledge of music to make sure your wedding day goes as perfect as possible by creating an individualized experience for you.

Breanna

Breanna is the cheerful, friendly, and professional representative of the Catching Lightning brand! She has significant wedding experience, including time as director of catering for an award-winning brand. She manages social media, assists in booking events, and helps coordinate on-site. Breanna loves making your special day that much more special.
